

**OSHA Training Institute Education Center
Mid-America OSHA Education Center in Springboro, OH
Mobile and Precast Delivery Crane Certification
July 31-August 4, 2017**

(Including NEW Under 21-Ton Precast Delivery Crane)

Course consists of thorough 1 or 2 1/2-day training with written and practical exams on following day(s) for one or more cranes, depending on each operator's requirements.

Must have at least 10 participants registered to hold class. Deadline is two weeks prior, or Monday, July 17, 2017. Cost: \$1,500, regardless of number of certifications. A Hampton Inn Hotel is located directly beside this training facility. Discounted room rates are extended to Mid-America guests.

Future classes will be scheduled at the OSHA Training Centers in Columbus and Cleveland as demand dictates. Individual Precast Producers may also host certification course(s) at their plant (if minimum enrollment can be met).

For more information or to register, Contact Susan White, Mid-America Education Center Director, at 1-866-444-4412 or by email: Susan@midamericaosha.org
